

IN APPRECIATION OF THEIR SERVICE, SKY RIVER CASINO OFFERS A SPECIAL FIRST RESPONDER ON DUTY DISCOUNT

ELK GROVE, Calif. (November 02, 2023) – In recognition and appreciation of the important services they provide to keep our region safe and protected, Sky River Casino now offers a 25 percent discount to on-duty first responders during meal breaks. The special offer is available for all active, non-retired, sworn emergency responders (firefighters and law enforcement officers) while dining on property in uniform. The discount is valid on food and beverage menu items from The Market – that includes nearly a dozen grab-and-go eateries – and the ever-popular 32 Brews Street.

“We applaud the dedicated efforts of our local and regional first responders who work tirelessly to keep us safe,” said Michael J. Facenda, President of Sky River Casino. “By providing this new first responder discount, we are extending a gesture of gratitude to the brave individuals who put their lives on the line each and every day. We are proud to provide a welcoming place for first responders to relax and enjoy their well-deserved break in their workday.”

Sky River launched the on-duty discount earlier this month in proud partnership with and support from the Cosumnes Community Services District (CSD) Fire Department and the Elk Grove Police Department.

“We firmly believe in the importance of partnerships that foster communication, trust and confidence in the safety services we provide,” said Felipe Rodríguez, Cosumnes Fire Chief. “We value working closely with Sky River and appreciate the acknowledgement of and support for what we do to protect the community and ultimately save lives.”

“Our goal at the Elk Grove Police Department is to work in partnership with the community to protect life and property, solve neighborhood problems and enhance the quality of life in our city,” said Elk Grove Police Chief Bobby Davis. “By establishing partnerships with community-minded businesses like Sky River and having a visible presence in the community, our team is able to be more effective in our duties to protect and serve.”

The First Responder On Duty discount is not valid during designated special event weekends and excludes alcoholic beverages.
