

SKY RIVER CASINO DEBUTS NORTHERN CALIFORNIA'S FIRST HUFF N' PUFF™ LINK SLOT EXPERIENCE

ELK GROVE, Calif. (June 18, 2026) — Sky River Casino today announced the Northern California debut of Light & Wonder's fan-favorite *HUFF N' PUFF™ LINK*, becoming the first property in the region to introduce the next evolution of one of gaming's most recognizable premium slot franchises.

Originally inspired by the classic "Three Little Pigs" story, the *HUFF N' PUFF™* series of games has become one of the most beloved and recognizable slot franchises in modern gaming, known for its playful storytelling, engaging mechanics, and strong player loyalty.

Huff N' Puff Link builds on that legacy with a linked progressive format and enhanced gameplay designed to deliver even more excitement. The key innovation in this game is the introduction of a "Hold & Spin" mechanic, marking the first time the franchise enters this high-demand gameplay category, alongside new features like "Overtime" and "Super Jackhammer" that elevate player engagement and jackpot potential.

The game features:

- Linked Progressive Jackpots that raise the stakes across connected machines
- The signature Puff Bonus Re-spin feature, a hallmark of the franchise
- Dynamic animations and immersive visuals that bring the whimsical theme to life
- Versatile denomination options appealing to a broad spectrum of players

"We've always been committed to offering our guests Las Vegas-style gaming experiences and a selection of the most sought-after slot machines," said Michael J. Facenda, President and General Manager of Sky River Casino. "With 2,500 slot machines and more than 80 table games, Sky River has quickly become widely accepted as a great place to escape and where you will find winners celebrating day-in and day-out."

By combining familiarity with innovation, *Huff N' Puff Link* continues to evolve a franchise that has consistently performed as an exciting attraction on casino floors nationwide.

"Players have had an incredible connection with the Huff N' Puff™ brand for years, and with Huff N' Puff Link we've taken everything they love about the franchise and elevated it to a whole new level," said Ryan Scott, SVP, Product Management & Commercial Strategy at Light & Wonder. "We're thrilled to bring this linked HNP game experience to Northern California for the first time through our partnership with Sky River Casino."

As the first casino in Northern California to offer the *Huff N' Puff Link* games, Sky River Casino strengthens its reputation for delivering highly sought-after gaming content ahead of the market.
