

Tiger Baccarat is a Baccarat derivative, offering a new set of wagers and payouts for Baccarat. The game uses eight (8) standard fifty-two (52) card decks.

THE BASE GAME USES STANDARD BACCARAT RULES. TIGER BACCARAT IS COMMISSION FREE.

Winning banks hands with a **TWO (2)**, or **THREE (3)** card total of **SIX (6)** will be paid $\frac{1}{2}$ the original wager.

Tiger Baccarat offers optional wagers that may be used on a Baccarat table in conjunction with any other existing optional wagers.

The Tiger wagers are known as “**TIGER**”, “**SMALL TIGER**”, and “**BIG TIGER**” All bets must be placed before any cards are dealt.

HOW TO PLAY TIGER

- 1.** To play Tiger simply place a wager in the Tiger betting area of the layout. If the banker wins with a total of **SIX (6)**, you win. The payout odds are dependent on how many cards the Banker has when the hand is complete.
- 2.** If the Banker wins with a **TWO (2)** card total of **SIX (6)**, this is known as a “**TWO CARD TIGER**”, and the payout odds are **12 TO 1**.
- 3.** If the Banker wins with a **THREE (3)** card total of **SIX (6)** this is known as a “**THREE CARD TIGER**”, and the payout odds are **20 TO 1**.

HOW TO PLAY SMALL TIGER

- 1.** To play “**SMALL TIGER**” simply place a wager in the “**SMALL TIGER**” betting area of the layout. If the banker wins with a **TWO (2)** card total of **SIX (6)**, you win. The payout odds are **22 TO 1**.

HOW TO PLAY BIG TIGER

- 1.** To play “**BIG TIGER**” simply place a wager in the “**BIG TIGER**” betting area of the layout. If the banker wins with a **THREE (3)** card total of **SIX (6)**, you win. The payout odds are **50 TO 1**.
